# YP Circle

Bringing together NYC young professionals  
to support the mission of Rising Ground.

# Why join the **Rising Ground** YP Circle?

No matter where you work and what you do it is important to engage with the community around you. Every industry needs to cultivate philanthropic leaders and a socially conscious workforce to better the lives of the most vulnerable residents of NYC. Let us be the conduit for you to grow.

**While young professionals have many options to engage and support their communities, we at Rising Ground want to partner with you.**

A person with dark skin is shown from the chest down, wearing a white t-shirt. The word "VOLUNTEER" is printed in large, bold, blue capital letters across the chest. The person is sitting with their arms crossed over their knees. The background is slightly blurred, showing other people and what appears to be an outdoor setting.

The best way to find  
yourself is to lose  
yourself in the  
service of others.
